Collins Carries Both Local Precincts, Loses Glades to Lowry by 1300-1183; Kirk, Rardin, Cherry and Prescott in

Run-Off Between Blank And O'Bannon In Contest For State Representative

Stambaugh And Burns Are Returned As Port Commissioners

Belle Glade's two precincts have kept the Lake area on speaking terms with the Powers That Be in Tallahassee by going for Governor Collins 723 to 412, while the other five Glades precincts liked the General's promises.

Former Governor Warren got almost half of his entire Glades vote in Pahokee. Bryant was 6 votes behind Fuller in the Glades.

Kirk, Rardin, Nugent, Burns and Stambaugh all received a majority vote in the Glades.

The oldtimers from Tallahassee, Gray and Ervin were substantially supported in the Glades.

Senator Smathers received a Glades vote in keeping with his statewide majority.

Justice Cherry won over Judge Tedder, while Constable Prescott beat Mac McAllister and Ray Whitlock.

Except in a few cases the voters were one sided in expressing their approval.

There will be a run-off between Blank and O'Bannon for the unexpired and regular terms in the House to take Bud Dickinson's place.

Telephone Plant Tour Is May 17-18

A behind the scenes tour through a modern telephone plant is promised the general public next Thursday and Friday evenings, May 17 and 18, at an open house program at the Belle Glade telephone office at 108 SW Avenue C. It was announced today by E. F. Reddy, district manager.

Extending a general invitation to residents of the Glades, Mr. Reddy stated that the tours through the telephone exchange may be given between the hours of 7 and 9 p. m. on each of the open house evenings.

A preview showing of the

local telephone facilities, for telephone employees and their families, will be held the preceding evening.

This open house will give residents of the Glades an opportunity to go behind the scenes and see the nerve center of local communications at work," the manager said. "Visitors will see regular telephone equipment handling routine local calls and will be able to look on while actual long distance and other calls are handled by the operators."

Attendees will be stationed throughout the building to explain details of the expansion program which has been carried out and special exhibits and arrangements will be provided to make the tour enjoyable.

(Continued on Page Eight)

How Big Is The Glades—Vote-wise?

Belle Glade outvoted the four low counties in Florida—Gulf with 49, Baker with 34, Martin with 256, and Liberty with 304. Add Florida's 838 and the first five only beat Belle Glade by 125 votes.

The Glades area beat the low seven counties which include the above five plus Hardee with 744 and Holmes with 855.

The total Glades vote cast, according to published reports, is greater than 25 of Florida's counties.

Cancer Drive By BPWC Is Underway

Mrs. Gladys Williams, chairman of the American Cancer Drive in Belle Glade announces it well under way. The drive headed by Mrs. Williams is being sponsored by the Business and Professional Women's Club.

All business houses are asked to be prepared to donate when a BPWC representative calls on them. The American Cancer Society depends entirely on voluntary support. Its lifesaving programs are carried out by volunteers.

The pace of the fight against cancer is set by the public itself and the extent of your support, your participation determines how fast the Cancer Crusade can go and how far.

Give generously and save lives during this campaign. Fight Cancer with a checkbook and a check. The drive will close Saturday, May 19.

Barnes Smith Is New JC President

Officers and board of directors of the Belle Glade Junior Chamber of Commerce were elected May 3 with Barnes Smith heading the slate as president. Officers assume their post June 1.

Others elected are 1st vice president, John Kinlaw; 2nd vice president, Benny Richmond; secretary, Bill Bailey; treasurer, C. W. Crosby.

Elected to the board of directors for one year terms are Kenneth Bass, Fred Farmer, Larry Royal, George Rashley and C. L. Todd.

Combination installation banquet and dance will be held Saturday, May 26 at the country club, which will take the place of the regular Jaycee meeting of that date.

In charge of details for the May 26 affair are W. O. Prescott, Bill Bailey, Tommy Parker, Larry Royal and Barnes Smith.

In other business at the May 3 meeting it was agreed that the new board of directors would work out a code of rules governing the use of the Model A recently purchased by the club.

Services For Shubert Told Sunday P. M.

Gravestone services for Inez Shubert, Jr., only child of Mr. and Mrs. Inez Shubert, Sr., of Ocoee Center, were held Sunday at 2:30 at Port Mayaca with Father Charles Anderson, pastor of St. Philip's Catholic Church officiating.

The boy was fatally injured Friday morning when the wheels of a milk truck passed over his body. The driver of the truck, Frank Holley, 19, of Pahokee, was not held liable.

Constable Buford F. Prescott, termed the accident unavoidable with no charges were made against Holley. There was no inquest.

The boy was taken to Belle Glade Memorial Hospital immediately following the accident where he died about one hour later.

The elder Shubert has been an employee of The Herald over two years.

Wetherington Funeral Home was in charge of arrangements.

Chorus, Glee Club To Give Spring Concert

The mixed chorus and Girls' Glee Club of the Belle Glade High School, under the direction of Miss Marian Najarian, will present a spring concert Tuesday, May 17 at 8:15 p. m. at the High School auditorium.

Donations will be 50 cents. Money taken in will be used to cover letter awards to be presented to the group. The public is invited to attend.

COLORFUL PROGRAM MARKS ANNUAL MAY DAY FESTIVAL — pictured top is May Day court prior to coronation, where last year's queen, Barbara Kirchgass, (8th from left) and king, Carl Norris, (7th from left) turn over honors to their successors, (1-1) are Ann Priest, Herbert Gliese, Janet Chambliss, Anna Roberts and Dennis Council, (2-1) Diane Shiver, Jo Ellen Huddespett, Karen Dexter, and Ronnie Brookner. Center, following crowning ceremony is the queen, Gloria Smith, king, Robert King and dances performed by fifth graders. (1-1) Kay Gilbert, Royce Mayo, Carlotta Holton, Robby Parrish, Doris Muller, Kenneth Royston, Patty Williams, Larry Griffin, Kathy Clements. (Story on pages 8-10.)

Sebring And Arcadia Lead Winners In District FFA Contest Held Here

The 6th district Future Farmers of America contest was held at Belle Glade High School May 4 when 22 chapters from Miami to Vero Beach and as far west as Ft. Myers took part in various contests. Sebring and Arcadia won two firsts to lead the field.

V.F.W. 8181 Auxiliary Plans 'Buddy Poppy' Campaign For May 26

The Veterans of Foreign Wars Auxiliary Post 8181 met May 7 at the home of Mrs. Lenora Harris with president, Happy Ogle presiding.

The auxiliary heard a report from Carolyn White on the rummage sale held May 5 on Royal's parking lot and discussed the next district meeting which will be held in Delray Beach in July.

Plans were made for the annual 'Buddy Poppy Day' to be held Saturday, May 26 before Memorial Day, May 30, in keeping with national 'Buddy Poppy Day'.

A joint pot luck supper will be held May 22 at the American Legion hall here with VFW members, families and prospective members.

Polio Clinic

The Palm Beach County Health Department urges that all children from 1 to 15 be immunized against Polio. For those children who have not been immunized by their family doctor the nurses will hold special clinics as follows:

Okeechobee Project for colored children

Tuesday 8:30 to 10:30 a. m.

2:00 to 4:00 p. m.

Okeechobee Camp Clinic for white children

Mondays 8:30 to 10:30 a. m.

Wednesdays 2:00 to 4:00 p. m.

Bean Harvest May End Here May 20

Continued rain could end the bean harvest in the Glades by May 20 according to Fred Tuttle, Market News Service manager here.

Tendergreen type beans were moderate in supply this week while others were mostly lighter in supply. Cabbage is not being cut and lettuce harvesting has ended.

Supplies of corn were liberal, field peas and celery were moderate, escarole, endive, potatoes, peppers and radishes were light in supply with supplies of Chinese cabbage extremely light.

Lee L. Smith, employment service manager here, said this week that reduced activity would cause a surplus of workers around the 20th and some might be released for eastern commitments.

Lions Ladies Night Friday, May 18th. At Country Club

The annual Lions Ladies Night will be held next Friday night, May 18, at the Country Club and will be in the nature of a barbecue with hillbilly costumes for the Lions and their ladies. It has been rumored "no costume, no barbecue" but was not officially announced.

Lion Murray has charge of the arrangements and anything can happen and likely will as Bill Graber is doing the barbecuing.

Elks Lodge Plans Mothers Day Fete

The local Elks Lodge, B.P.O.E. 1716, will honor mothers Sunday at 3 p. m. in special ceremonies in their annual observance of Mothers Day, May 13. Dr. J. Leighton Scott of the Everglades Presbyterian Church will deliver the address. Miss Marian Najarian will furnish a short musical program.

The Elks state convention will be held in Ft. Myers Friday, May 18, and a large delegation of local Elks are expected to attend, according to Emmett S. Roberts, Exalted Ruler.

Vernon Tedder reported 200 Elks and their guests attended the barbecue Saturday night.

BPWC Installation Scheduled May 21

The Business and Professional Women's Club will hold installation exercises Monday night, May 21 at the municipal Country Club. Mrs. Lila May Dargall of Miami, state first vice-president, will be the installing officer. All members are urged to attend and bring a guest.

Council OKs Bond Validation Action

The city commission passed on second reading a 22-page 10,000 word ordinance dealing with the \$200,000 recreation bond issue which authorized City Attorney Claude Jones to begin validation proceedings in circuit court.

In other action the council made basic strides in solving the water supply knot by formulating ordinances to deal with supplying water to subdivisions.

Further, the council endorsed a proposal to erect a city-owned courthouse annex in Belle Glade and appointed two members of the planning board.

The city manager and attorney will draw two ordinances dealing with water supply. In one the city will collect the cost of pipe and installation to out-of-city users of water mains that assess a 25% fee of the water bill which will create a sinking fund to reimburse investors in the water mains.

In a second ordinance the city manager and water supervisor will set the size requirements of pipe in its subdivision.

Special Meeting

At a special meeting Monday the council turned over to City Attorney Claude Jones the responsibility of drawing an optional agreement to sell the water posed swimming pool to the Lions Club. It was felt that if one or more of the clubs operated it, more interest would be generated.

The city and private individuals will begin work this week to clear the proposed site of a park at the city port. The council instructed the city manager to carry out details.

Other Wednesday Action

Street and water main installation in Lyons Park subdivision will be completed on a 50-30 cut between the city and developers.

On Commissioner Z. T. Ingram's motion the council agreed to have the city water division will be completed on a 50-30 cut between the city and developers.

The council approved a recommendation from the Chamber of Commerce for the courthouse annex to be located across from the postoffice and authorized a letter to be sent City Attorney Harry Johnson sanctioning this situation.

The council agreed that parking meters would be operated on a year-round basis and not be suspended from June to August.

The council carried Z. T. Ingram's motion that the utility tax extension be applied only to houses of worship not just church property in clarification of a request from the Chamber of Commerce.

The city manager was instructed to find funds to donate to the city of Belle Glade (Professional Women's Club) to advertise the Glades during the BPW's national convention in July.

Wednesday Sale Is Stopped At Market

This week Wednesday's sale at the Glades Livestock was cancelled until further notice according to an announcement by George Young, manager at the market.

Monday's sale had 929 cattle weighing for \$76,654.83 consisting of 141 calves, 67 yearlings, 62 heifers, 62 cows, 589 steers and 8 bulls. 50% of the number and 50% of the dollar to slaughter.

Slaughter Prices

Steers: Cd 12.25-13.75, Cml 13.70-16.75, Uty 12.75-15.50, Cut 10.00-11.25, Can 8.00-11.00.

Heifers: Uty 12.00-13.60, Cut 11.25-11.75.

Calves: Cd 18.00-21.50, Cml 16.00-19.00, Uty 12.50-15.75, Cut 5.00-11.75.

Cows: Uty 11.50-12.50, Cut 10.25-11.75, Can 8.00-10.25.

Bulls: Uty 13.25, Cut 11.50-12.50, Can 8.25.

Stocking Prices

Steers: 9.75-17.30, Heifers: 9.00-13.25, Calves: 13.25-16.25, Cows: 9.75-11.25.

Compared to last week slaughter steers were steady, cows 50 higher, calves steady, cows 50 higher, bulls scarce.

Replacement stocker steers steady to 50 higher, calves steady to 50 higher, calves scarce, cows 50 to 1.00 higher.

YOUR CONFIDENCE IS APPRECIATED!

To be returned to office by my friends and neighbors, I consider an honor.

I will continue to give you the best I have, and I will always be grateful for your kindness in Tuesday's election.

JOE CHERRY

Justice of Peace
8th Dist. — Palm Beach County

National Guard News

The six months training with the active Army available to National Guardsmen who enlist before they are 18½ years old includes an opportunity to acquire certain technical training that could be helpful to a young man in civilian life, according to L. Warren L. Howell, commander of Company "E," 211th Infantry.

The six months training breaks down into three phases said L. Howell. The first two months a recruit receives basic individual training, including such subjects as school of the soldier, weapons training and individual training.

This training is usually of a technical nature and, depending on the assignment given the individual, includes study in mechanics, electronics, com-

munications, photography, engineering and other subjects that could be helpful to a young man in his civilian occupation. In the final two months of his training the recruit is given on the job training in the subject in which he has been individually trained.

In addition to the training received, the six months training period will reduce a young man's total military obligation, Lt. Howell said.

In suggesting that young men join the National Guard and consider taking the six months of training with the active Army, Lt. Howell announced further information on National Guard enlistment and six months of training may be had by contacting him or a member of the unit at the local armory, 155 S. E. Avenue D or by phoning WYman 6-2355.

of the airman who fly them will also be on display. The largest number of aircraft — nearly 30 — even seen at PBAFB will be on display for the local public.

Some of the equipment will include:

Radio fly-away mock-ups, radar fly-away mock-ups, radar air navigation sets, and power units, from the 1374th Mapping and Charting Squadron. A static display of aerial photographs and camera equipment from the 1374th Mapping and Charting Squadron.

The 1707th Motor Vehicle Squadron will arrange a display of drivers' training equipment, an operating engine cutaway, a chassis cutaway, a car-buretor cutaway, magneto cutaway, a heavy wrecker, fork-lift, and aircraft towing equipment.

Survival equipment to include a 30-man liferaft, one man, and personal survival equipment, will be provided by the 1707th Air Base Squadron. Additional survival equipment used by Air Sea Rescue will be seen inside the SA-16 Albatross from the 1707th Flying Training Squadron.

The 1707th Food Service Squadron will be represented by large 20 x 24 photographs of dining facilities at the base, and two food service attendants to answer questions about these facilities. Fully dressed male and female manikins set up by the 1707th Supply Squadron will depict the various types of Air Force uniforms. Three different crash fire trucks used by the base fire department will be arranged for display by the 1707th Installations Squadron. Other equipment displays will be added as "Open House" draws nearer.

Cancer Fund Drive Approaches Goal

Contributions to the 1956 fund raising campaign of the Florida Division of the American Cancer Society are rapidly approaching the goal of \$400,000 according to an announcement by Carl S. Swisher, chairman of the statewide crusade. In a statement issued today he said that reports to date from county units indicate that the quota will be reached by the end of May and that by the end of the division's fiscal year August 31st donations will exceed

those of last year which totaled \$462,000. He stated that in many communities the crusade has been delayed for various reasons and urged local units to continue efforts until local goals have been reached.

The report disclosed that as of May 1st twenty units had exceeded assigned quotas, two counties, Calhoun and Osceola, have tripled their quotas and Sarasota county has more than doubled its goal of \$60,000.

Sixty percent of funds raised will remain in Florida to finance programs of public and professional education and service to indigent cancer patients. Forty percent will be forwarded to the national office to be used in financing research projects and for fellowship grants for medical students specializing in cancer treatments.

Mr. Swisher stated, "The response of the people of Florida to the appeal for funds has been most gratifying and inspiring and indicates that our people are indeed anxious to find a solution to this serious health problem which last year took the lives of 5155 people of our state."

'Hardware' Disease Hits Florida Herds

Hardware disease is still taking its annual toll of Florida cattle.

It's not a disease caused by a germ, as any cattleman will tell you. It's the condition brought about by introduction, through food, of such foreign items as nails, wire, pebbles, etc. Sometimes these objects do no particular harm to the animal, says James E. Pace, Florida Agricultural Extension Service animal husbandman. But frequently a sharp object punctures the wall of the stomach and pierces the heart or other vital organ. It may kill the animal or start a condition that eventually causes death.

Early signs of "hardware" disease are generally depression, refusal to eat normally and an unwillingness to move. If the object gets into the heart or heartcase, the animal's breathing gets short and the heart beat accelerates. A fever may be noted, or a swelling in the brisket region.

Operations can be done to remove such objects, but they require considerable skill. Prevention is the best cure.

Cut wire on baled straw or hay as far from the joining part as possible, to eliminate a piece

of loose wire. Check fencing to make sure wire bits or staples haven't fallen into grazing areas.

And be especially careful that foreign objects don't get into the feed trough.

Protection Council Is Formed For Merchants

Florida merchants took further steps last week to check activities of shoplifters and had check artists with the appointment of a statewide store protection council by the Florida State Retailers Association.

At T. Behrens, store protection manager of Burdine's, Miami, is general chairman of the

council. Other members include officials of Sears, Roebuck, J. C. Penny, Winn-Dixie Co. several drug chains and Merchant Association officials.

NEGRO NEWS

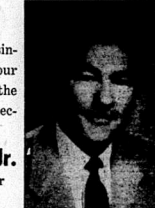

Negro Forfeits Bond On Cuba Ticket Rap

Willie N. Baker, Belle Glade negro, was apprehended May 5 by local police and charged with reckless driving and possession of "Cuba" tickets. He was placed under \$100 bond pending Monday's court. He forfeited the bond.

Thank You

May I express my sincere appreciation for your generous support in the May 8th Primary Election.

Roy E. Michael, Jr.
County Commissioner
District 3

IT'S SATISFYING TO WIN!

Zest is added to satisfaction, when HOMEFOLKS generously support you in a county-wide election — I thank the Glades folks genuinely.

County-wide approval of my years of work on the Commission is an incentive to continue to help keep PALM BEACH an outstanding COUNTY in the nation as a unit in the NATION'S FASTEST GROWING STATE.

Paul Rardin

Congratulations . . .

to BUFORD PRESCOTT on his fine victory —
to JOHN KIRK and other winners in Tuesday's election.

OPEN HOUSE at the Telephone Company

Everyone's
Invited!

Thursday and Friday

May 17 and 18—7 to 9 P. M.

108 SW Avenue C, Belle Glade

Everyone in the "Glades" is cordially invited to visit the Telephone Building on the above dates.

Perhaps you've been wondering how your dial telephone works . . . what takes place when you dial a call . . . how a long distance call is handled. Now is a good time to look behind the scenes and see for yourself how the marvelous mechanical "operators" switch your calls.

We'll be here to welcome you and show you around. Also, we have special exhibits prepared for your visit. In fact, we've done our best to arrange an entertaining and interesting event, and we think you'll enjoy it.

So remember the dates and be sure to bring the whole family.

E. F. Reddy, District Manager

SOUTHERN BELL TELEPHONE AND TELEGRAPH COMPANY

Sgt. James M. Schofield of Belle Glade, Fla., was firing for the Japan's Northern Command pistol team in the Army Forces Far East and Eighth Army rifle and pistol matches on Okinawa, April 19-30. The matches will determine the Far East entry in the All-Army matches at Fort Benning, Ga., in June. Sergeant Schofield, whose wife, Janet and mother, Mrs. Louise Craft, live in Belle Glade, entered the Army in March 1950. He is a 1948 graduate of West Gate High School.

Army Pvt. Harry L. McDonald, 19, son of Mr. and Mrs. Carroll W. McDonald, Belle Glade, Fla., recently qualified pistol at Fort Riley, Kan.

As expert in firing the .45 cal. McDonald, who was graduated from Belle Glade High School in 1955, is a machine gunner in Company L of the 1st Infantry Division's 16th Regiment.

He entered the Army last October and completed basic training at Fort Jackson, S. C.

New Tampa Bay Bridge Has Fishing Sidewalk

An 8,000 foot long fishing sidewalk under the new Gandy Bridge span across Tampa Bay between Tampa and St. Petersburg opens one of the finest sections of fishing waters in the bay to walking fishermen.

The \$120,000 catwalk, built as a part of the new \$400,000 Gandy Bridge span, extends 2,000 feet out into the bay from each end of the bridge and is built on both sides of the span so fishermen can fish with the incoming or outgoing tides.

A special South American wood—Demerara Greenheart from British Guiana — was imported for construction of the fish-walkway because of its ability to withstand exposure to sun and salt water. About 160,000 board feet of the special lumber was used.

The new fishing facility is of special interest to Tarpon fishermen who will compete for more than \$10,000 in prizes in the Ninth Annual Tampa Tarpon Tournament June 16 through August 12. Tampa Baywaters around the Gandy Bridge are widely known for a heavy population of "Silver Kings."

The opening of the additional span of the 5 and 1½ mile long Gandy Bridge provides motorists with four-lane comfort in crossing Tampa Bay from Tampa to St. Petersburg.

Air Base Plans Open House May 19

A mammoth static display of electronics, transportation, survival, and fire fighting equipment will be one of the main attractions for local citizens on Armed Forces Day at Palm Beach Air Force Base.

Open house at the base will begin at 10 a. m., on Saturday, May 19th, and the base will remain open to the public until 3 p. m.

In addition to the latest and best in Air Force jet fighters, bombers and transport aircraft, the equipment necessary for their support and the support

side there with his parents for the next three weeks. They will leave June 10 for Chicago where Mr. Beardsley will enroll at the University of Illinois, and continue his studies. He is an animal husbandman at the Everglades Experiment Station.

Miss Jackie Royals arrived home Monday from Houston, Texas and is visiting her parents, Mr. and Mrs. Jack Royals, Indian Mound. She is on vacation from her duties as a wardens with Trans-Texas Airlines.

Mr. and Mrs. Bill McClatchey were week end visitors at the home of their son and daughter-in-law, Mr. and Mrs. W. I. McClatchey in Ft. Myers, to see their new granddaughter, Robin Diane.

Relatives at the Inzer Shubert home last week end, called here by the death of their son, were his sister, Mrs. Lois Hoffstetter of Homewood, Alabama, mother, Mrs. Pauline Elias, Birmingham, Ala., Mrs. Shubert's brother and sister-in-law, Mr. and Mrs. Bill Kutas of Tampa.

Mr. and Mrs. Charles Beck of West Palm Beach were week end guests of their son and daughter-in-law, Mr. and Mrs. Herbert Beck. They also attended homecoming day at the Community Methodist Church.

Dr. and Mrs. Mendel Luce and children were guests Sunday at the home of their parents, Mr. and Mrs. H. C. Luce at Lake Alfred.

Mrs. R. V. McDonald returned home recently from Oschner Foundation Hospital, New Orleans where she underwent treatment.

Mr. and Mrs. Paul Brown are vacationing this week at the Sarasota Terrace Club. Mrs. Brown was one of the winners in the weekly Charleston contest in a field of 15 other women.

Ronnie Halbrook, 10 Celebrates Birthday
Ronnie Halbrook, 10 years old, celebrated his birthday last Saturday night in the Belle Glade Municipal Park, when his parents, Mr. and Mrs. J. P. Halbrook, Jr., entertained.

The young man enjoyed skating and a winner roast. About 15 of Ron's classmates attended.

Celebration Marks 60th Wedding Anniv. Of W. L. Wedgworths
Mr. and Mrs. W. L. Wedgworth, parents of the late Herman H. Wedgworth of this city, celebrated their 60th wedding anniversary last Sunday at their home in Meridian, Miss., with a barbecue and open house.

Over 100 members of the family including their eight children, and families, and great-grandchildren attended, from Tennessee, Alabama, Florida, Arkansas and Arizona.

Among those attending from this area were Mrs. Ruth Boynton, wife of the late Herman Wedgworth, her son George, daughter, Mrs. Joe Tom Boynton, children, Linda Sue and Kathie of Pahokee, youngest daughter, Miss Barbara Wedgworth, who flew down on Saturday; also Mrs. George Wedgworth and children, Douglas, Dennis and Deborah and Wayne Boynton, who traveled by bus.

Mrs. Ogle Moore and two daughters and their children were present. Mr. and Mrs. Moore and children are former Belle Glade residents now living in Arizona.

An open house was held on Sunday with over 200 calling during the afternoon. A huge wedding cake with the numbers 60 on it was served to the guests with punch.

Mrs. Wood Winner In Dress Contest
Mrs. Guy D. Wood, Jr., of 916 N. W. 4th St., Belle Glade, won first place in a dress contest sponsored by the Singer Sewing Agency in West Palm Beach. Winner out of a field of 30 contestants, the dress has been entered in the semi-final regional contest in Atlanta, Ga., to be judged among about 70 entries.

The winner of the regional contest will go to New York to model in the national contest with the prize dress winning \$25,000. Over 1700 prizes will be given in the overall contest totaling \$125,000.

Mrs. Wood a tall attractive brunette, who modeled her dress in West Palm Beach, described it as a special vogue pattern in a sheath type of navy blue linen, with three release pleats in the back of skirt, and the bodice featuring three colors, white, American beauty and navy with short sleeves. She wore a white hat with navy accessories. She was presented a sash set in a leather case as prize winner.

"Earl Armstrong Lone" Four Letter Athlete
Belle Glade's track team traveled to Vero Beach for an

GIRL OF THE YEAR—Mrs. J. E. Jones (l-r) is honored by members of Beta Sigma Phi with a crowning ceremony at the Annual May Invitational Ball held Saturday night at the Municipal Country Club. Mrs. Francis W. Cross, Jr. immediately past president, was master of ceremonies for the event and welcomed guests.

all-conference track meet April 25 according to coach Herbert Ouellette.
The only notable accomplishment of the thrillbirds was a second place for Earl Armstrong in the pole vault event. The 312 points won by Armstrong entitled him to track letter. Ouellette said Armstrong thus became the only athlete at the high school to win a letter in four sports, basketball, football, track and baseball. Armstrong is a junior.
Armstrong's vault of 9 ft. 6 in. was bettered only by a Pompano youth who soared over the 10 ft. 9 in. mark to set a conference record.

HOSPITAL NOTES

Belle Glade Memorial
Admitted week of May 1st to May 8, Mrs. Ruby Prince, Mrs. Leo Thompson, Pahokee; Raymond Martin, Jewel Willis, South Bay; Miss Frankie Crider, Canal Point; Joseph Simpson, Orlando; Mrs. Pearl Cunningham, Travis Poole, Mrs. Delma Curl, Mrs. Margaret Blitzer, Mrs. Nadine Payne, E. Exchange in Tampa.

Some 250 delegates and wives representing cooperatives all over the state, in addition to more than 100 Future Farmers of America and 4-H boys and girls from each of 16 districts, will converge on Miami Beach for the convention.

Cooperative officials, speakers and guests from as far north as New York will attend, Lesley said.

Highlight of the three day session will be the grand banquet on Monday evening, May 21. A nationally-known speaker whose name is to be announced later, will deliver the principal address.

Morning sessions that day will be devoted to talks by a member of each district F. F. A. and 4-H team, winners of a contest in cooperative activity. A youth bulletin follows.

Climax of the convention will be an annual stockholders meeting of the Columbia (S. C. Bank for Cooperatives. President J. D. Lawrence will preside.

Officers and directors of the Council will be nominated and elected during the afternoon business session, May 21. A meeting of the old board of directors will precede the formal convention opening on Sunday evening, May 20.

Annual Farmer Co-Op Conference Held In Miami Beach May 20-21

Florida Council of Farmer Cooperatives will hold its annual conference and convention at the Roney Plaza Hotel, Miami Beach, May 20-22. It was announced by John T. Lesley, Council president and general manager of the Florida Citrus

National 4-H Home EC Awards Are Announced

Four national 4-H award programs in the field of home economics have been accepted by the state extension service for 1956.

If club members who excel in the canning, food preparation, clothing and dress revue will receive valuable awards through the programs.

Canning awards are provided by the Kew-Glenn Mfg. Corp., food preparation by the Kew-Glenn Mfg. Corp., clothing by Coats & Clark Inc., and dress revue by the Simplicity Pattern Co., Inc.

Four county winners in canning, food preparation and clothing are eligible to receive gold-filled medals of honor, and medals will be presented to a blue award group in the county dress revue.

State winners in each of the four programs will receive all-expense trips to the National 4-H Club Congress in Chicago, Nov. 25-29. At the congress, state dress revue winners will participate in the national 4-H dress revue.

National honors of \$300 college scholarships will also be presented to six canning winners, 12 clothing champions, and eight winners in food preparation.

The four programs are among the most popular in 4-H club work. Each year, 187,000 4-H'ers enroll in canning projects, 675,000 in clothing, and 600,000 in food preparation.

Over 350,000 of those carrying clothing projects also participate in dress revues.

The Cooperative Extension Service of the U. S. Department of Agriculture and State Land Grant Colleges conduct the 4-H program, and the awards are coordinated by the national committee on boys and girls club work. Complete information may be obtained from county extension offices.

Becket Firm Will Design Hughes' Airplane Plant

The firm of Welton Becket and Associates, winner of 23 national awards for architecture and design, has been named as architects for Howard Hughes' airplane manufacturing plant in Florida.

Del E. Webb, president of the Del E. Webb Construction Co., announced in Los Angeles, Calif., this week.

While it has been known for several months that multi-millionaire Hughes planned an industrial venture for Florida, its exact nature was not disclosed until April 9 when Webb, acting for Hughes, announced in the office of Gov. Leroy Collins at Tallahassee that a company would be established for the design, development and manufacture of airplanes.

"Robert Fleming, our project manager, has been in Florida with his engineers for more than three months making a study of proposed sites for Mr. Hughes' aircraft plant," Webb said today.

March Study Shows Factory Wage High

Florida factory workers' weekly paychecks hit a record high of \$81.98 average in March as nonfarm employment gained slightly and unemployment dropped sharply, reports Industrial Commission Chairman James T. Voeelle in a report issued this week.

Factory workers' pay exceeded \$80 a week average for the first time in Florida history, stimulated in part by the dollar an hour minimum wage law which took effect in March.

The hourly rate of manufacturing employees also hit a new peak of \$14.49. Average hours worked were 41.8.

The overall picture of the state's economy showed employment making a slight rise to 988,700 in March over 987,700 in February, and 48,200 ahead of a year ago. At the same time, unemployment dropped significantly from 44,500 in February to 38,400 in March.

Employment gains came in several industries, largely in retail and service establishments. Contact construction showed a drop of 400 workers. Employment in this field at 86,700 was still 200 ahead of a year ago.

The employment gains more than offset the manufacturing employment drop of 2,200 which resulted from a series of small seasonal declines in food and kindred products, citrus processing plants, which reduced the maturity of late oranges, and tobacco products firms' layoffs.

A portion of the decline was attributed to adjustment in forces as a result of the increased minimum hourly wage.

Manufacturing employment still stood at 3,490 above a year ago.

Army Offers Good Career For Women

"Many qualified young women in south Florida are overlooking careers which offer them the broadest opportunities for professional training, social and financial security, and travel."

This vigorous statement is the opinion of the local U. S. Army Recruiter, Sgt. J. D. DeMarco and his staff. They are examining, it's difficult to find fault in the opinion. Maybe many of you do not realize that the annual wage for these young ladies is in the scale from \$4072.96 to \$5524.58—these figures being independent of the \$10,000 of free life insurance and the unlimited free medical care and treatment to which they are entitled.

This training and security can be enjoyed in the United States, Germany, France, Italy, Japan, Okinawa and Hawaii. In the performance of this and all other travel, transportation is given at no cost to the individual or generous monetary allowances are given to cover the cost of such travel.

In general, applicants must be college graduates who are citizens of the U. S. by birth or naturalization. Experience credit is awarded for a broad ground in teaching, business, recreation, personnel administration, advertising or any other fields requiring leadership and supervision of personnel.

They may be married or single, but they must not have children or dependents under 18 years of age. Women who have surrendered all rights to custody and control of children through formal adoption or legal divorce proceedings are eligible to apply.

Applicants must be in the age bracket of 20-33 years of age and must pass a physical examination at a military installation. Physical, mental, and moral fitness, as well as mental aptitude, must meet the requirements of the military service.

This is a brief view of the career opportunities which are available to young women qualified to be officers in the Women's Army Corps of the United States Army. If you have these qualifications and are interested in beginning your career, you are invited to contact Sgt. DeMarco at the U. S. Army Recruiting Office located at 215 So. Marcus Ave. in West Palm Beach, Florida. So that your application can be completed for the beginning of your twenty weeks of training which will be conducted at Fort McClellan, Alabama.

The planning meeting is scheduled for ten a. m. in the San Juan Hotel ballroom.

people know, thousands of citizens and visitors have no knowledge at all of the Mediterranean fruit fly or the real threat it presents.

Home owners will resent seeing plants destroyed and will be annoyed at having inspectors swarming over their property. Motorists will object to having their vehicles stopped at quarantine stations where they will be asked to get out while inspectors check their baggage and thoroughly spray the car; but such action will become necessary should we fall to control the infestation to its present area and wipe it out quickly and completely.

Press, radio and television can do much to present the danger plainly and clearly so that the public will understand and cooperate. I recall in the 1930's how the lack of public interest and understanding made the work of officials so hard and contributed to the spread of the infestation because a lot of folks thought it was just a "lot of nonsense."

You can take my word for it. It isn't nonsense, and it isn't a waste of time. The official staff of the Florida Grower Magazine at the time of the other fruit fly battle and spent a lot of time in the field and I know from personal observation how dangerous this situation is.

I am not writing this column as an alarmist. I hope sincerely that the fly will be confined to the present affected area and quickly stamped out. But if it is not, there will be no more good reason why...

7 OUT OF 10 PREFER Holsum

In this Coffee Cake—fresh eggs, fine creamy butter, milk, brown sugar—this is the same recipe you'd use at home... plus Holsum's famous baking know-how! Butter pecan—rum streusel—date nut—cinnamon streusel—rushed fresh to your grocer every day!

University of Florida Makes Erosion Studies

Methods for stopping the erosion now taking place on Hobe Sound Beach will be studied by University of Florida engineering experts.

The study, to be headed by internationally known erosion experts Dr. Per Brunn, will seek to devise methods for stopping the erosion of two to three feet of beach each year.

Assisting Dr. Brunn in the study for the Florida State Road Department will be Sime Pederson, another Danish engineer from the university, and technician R. Bailey.

Sitting Pretty University of Florida sorority girls are sitting pretty. Boredom, that is.

The Panhellenic Council, which governs university sororities, has set up a volunteer baby sitting service for Flavel residents. These are college students with families and limited budgets often prohibiting hiring sitters.

The coed "sitters" donate a lot of time in the field and I know from personal observation how dangerous this situation is.

I am not writing this column as an alarmist. I hope sincerely that the fly will be confined to the present affected area and quickly stamped out. But if it is not, there will be no more good reason why...

Beta Sigma Phi May Ball Attended By 200

An outstanding social event of the season was the Annual May Invitational ball of Beta Sigma Phi held last Saturday night at the Municipal Country Club, with Art Burin and his orchestra of West Palm Beach furnishing the music.

The decoration theme was "Candyland" and men were presented with a numbered lollipop on entering. Tables were colorfully decorated with bouquets of various colored lollipops, while the walls were dotted with giant lollipops in colors and the mantle was banked with a gumdrop tree flanked by ice cream cones toy castles and a snow man.

Members honored their Beta Sigma Phi Girl of the Year, Mrs. J. E. Jones with a crowning ceremony, presided over by Mrs. R. T. Bell, choice of 1955-56. Other winners Mrs. E. F. McAllister and Mrs. Earl Lindrose were also introduced and a sorority girl of a sterling silver couple was given to each one. Mrs. Jones was also presented a bouquet of yellow roses, the sorority flower.

Mrs. Francis W. Cross, Jr., m a t e r of ceremonies for the ball, also welcomed guests to the annual affair.

Members of the Hospital Auxiliary voted to donate \$500 in observance of Hospital Day May 15, towards the new wing of the hospital, a new wing for premature babies, at the regular meeting held Tuesday in the nurses lounge of the hospital.

Superintendent Donald Parke gave a talk on the advantages of the look-to-the-future at the meeting. The group also voted to trade in three of the old sewing machines on a new electric machine which is much needed.

PTA Installation Slated Monday Night

Mrs. George Arceneaux, past president of PTA, Pahokee, will preside at the installation of new officers for the coming year at the high school auditorium, Monday night, May 14. This is the last PTA meeting until fall.

Girl Scout Song Festival Today

About 75 Girl Scouts and 20 adults including Scout leaders of Belle Glade plan to attend the annual public song festival in Pahokee at the City Park today from 4:00 p.m. to 7:30 p.m. Girl Scouts of the Glades area including Clewiston, Moore Haven, Belle Glade and Pahokee, numbering 250 are expected to attend. Swimming will be enjoyed from 4 to 5 p.m. and a nose tag supper at 5 p.m. with Pahokee furnishing the drinks. This will be followed by troop program presenting a 3 minute act followed by a song fest led by Mrs. Hugh Branch of Pahokee.

Band Breaks Ice With First State Superior

The Belle Glade Band broke a ten year streak last Friday in St. Petersburg by making the first "Superior" rating ever won by a Belle Glade High School Band in a state event.

The band, organized in 1946, has succeeded in qualifying for the state competition only three times since its inception, in 1950, 1955, and 1956, but has never made a Superior rating in any of the state events in which it has entered.

The band made Superior in sight reading, Good in concert, and Excellent in marching.

Bandmaster John Munroe remarked: "Belle Glade can be justly proud of showing its band people at Al Lang Memorial Field in St. Petersburg during the marching exhibition. I feel that the Belle Glade Band gave the best marching performance in its history that night."

The people of St. Petersburg received them well giving them an ovation such as they have never before received.

Belle Glade Man Hurt In SR 7 Crash May 5

Two people were injured Saturday night when a sedan crashed into a semi-trailer on Okeechobee Rd. and SR 7 according to L. W. Thompson, Florida Highway Patrolman.

Don Godwin of Belle Glade in the strand, struck the trailer, driven by Malcolm Moore, Pt. Lauderdale, as the trailer turned left on SR 7. Godwin received lacerations on the face and a passenger with him, Robert Tugle, Los Angeles, received possible internal injuries. Both were hospitalized for a time at Good Samaritan Hospital, West Palm Beach.

Godwin was charged with failure to have his vehicle under control and driving without a driver's license.

TELEPHONE PLANT (Continued from Page One) details of a large communications system clear.

"A tour of the building should take from thirty minutes to an hour. We want our guests to take the time, ask questions and see our whole plant from top to bottom. For the period of this open house, both telephone buildings are wide open to the public, and I feel sure we can promise our customers and friends an evening they will long remember," Mr. Reddy said.

Rabies Clinic Slated For May 12, 19 Here

A rabies clinic will be held May 12 and 19 for the purpose of vaccinating all dogs in the

RAMBLER BATTERY — The Belle Glade Rambler pitcher (1) Perry (Butterball) Rigdon, and catcher (2), Bobby Jones, are seen before Sunday's season opener with Lake Park. Since there wasn't an official team, they played a practice session which the local nine won 6-5. The city team faces Pompano this Sunday leaving F. L. Harris service station at 12:30 sharp.

city in accordance with laws of the city according to Frank C. Anderson, city clerk.

All persons present at the gathering were questioned to determine the events of the evening with negative results.

Vaccinations can be obtained at the above times and places for a fee of \$2.50 per dog. Licenses are on sale during regular office hours in the city hall for a fee of \$1.50 for males and spayed females and \$3.00 for females.

Proof must be presented that a dog has been vaccinated within the past six months before a license will be issued.

A drive to impound all unlicensed dogs will be made after July 1.

Doctors Clarence Kidder and Albert W. Sticha will donate all proceeds from these clinics to the swimming pool fund.

Missing \$1,500 Places Puzzle Before Police

Police are trying to learn the whereabouts of \$1,500 belonging to groceryman Burl Thomas which was either stolen or lost on the night of Apr. 16. Information on the case was withheld by police pending certain investigation.

Police Chief Charles Goodhue said eight or more persons were involved in a gathering at Tiny's Bar and Package Store

on SW Ave. B. Place on the night in question.

All persons present at the gathering were questioned to determine the events of the evening with negative results.

Vaccinations can be obtained at the above times and places for a fee of \$2.50 per dog. Licenses are on sale during regular office hours in the city hall for a fee of \$1.50 for males and spayed females and \$3.00 for females.

Proof must be presented that a dog has been vaccinated within the past six months before a license will be issued.

A drive to impound all unlicensed dogs will be made after July 1, 1956.

Avoid inconvenience and additional costs at that time by attending to these matters now.

Doctors Clarence Kidder and Albert W. Sticha will donate all proceeds from these clinics to the Belle Glade Swimming Pool Fund.

REMEMBER MOTHER All Ways with a G-E Dishwasher

Mobile-Maid

ROLL-AROUND AUTOMATIC DISHWASHER

NEEDS NO INSTALLATION

* NO SPECIAL PLUMBING * PLUGS IN LIKE A TOASTER * CONNECTS RIGHT TO YOUR KITCHEN SINK

Do more for Mother on Mother's Day than take her out to dinner — take her out of the kitchen and away from that steaming sink. Give her a 1956 G-E Mobile-Maid, the convenient roll-around dishwasher.

No more dozens of wasted hours while you wait for Mom to wash the pots, pans and dishes. And think what a blessing the G-E Mobile-Maid will be in the hot summer months... quick escape from that steaming sink. Give Mom a hand today... and every day, every meal... by giving her an automatic dishwasher.

WSWN Begins FSES
Public Service Program

WSWN, in cooperation with the Florida State Employment Service in Belle Glade, is providing a new public service program. Mondays, Wednesdays and Fridays at 12:30 p. m. Buzz Walker, WSWN announcer will telephone the employment office on those days to discuss job openings and qualified applicants for jobs. Both ends of the "chatty" conversation will be heard on the radio.

It is expected that employers, applicants and the community will benefit greatly from this new service.

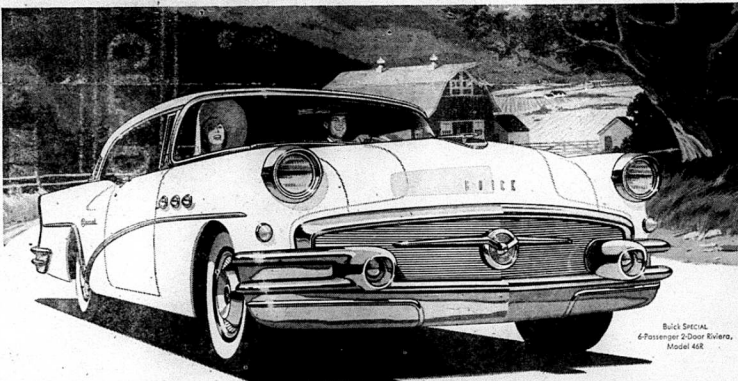

The announcement was made this week by Lee L. Smith, local manager at the Employment Service.

It's Bigger than Both of 'em

—but its price makes it one of America's 3 best sellers!

It's as simple as this:

Only two cars in all creation outsell Buick. And they are two of the well-known smaller cars.

So maybe it will pay you to ask how come Buick has zoomed to the No. 3 spot with such fast-selling company.

Well, one answer is the beautiful and Buick SPECIAL you see pictured here—and the low price it carries.

It's the biggest bundle of high-powered performance and high-fashion luxury ever offered in Buick's lowest-priced Series.

And that means more people want it and can afford it, because it's priced only a

few dollars more than its two smaller-car rivals—even less than some models of those very same cars.

But the big answer comes from a sure fact more folks have discovered: you get more pure automobile for your money in Buick than you get elsewhere.

Here, you get the extra wallop of big new Buick power raised to a new high—and pouring in smooth whisper from a brand-new 322-cubic-inch V8 engine of true high compression.

Here, you get the matchless buoyancy of Buick's great new ride—the extra-safe feeling of Buick's new handling ease—the extra stretch-out comfort of Buick roominess—the extra solidity and strength of

Buick structure—the extra pride and prestige of Buick's new styling and dash.

Here, too—and nowhere else—you can get the silk-smooth performance and flash-fast response of Buick's advanced new Variable Pitch Dynaflo®—the world's only transmission with the gas-saving mileage and switch-pitch action of the modern airplane propeller.

This week—this very day, if you wish—you can sample all these Buick blessings to your heart's content and your pocket's joy. Why not drop in on us and do just that?

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Attendance Banner Won By Brotherhood

The Brotherhood from the First Baptist Church, South Bay won the attendance banner for having the most men present at the Associational Brotherhood Rally held in the By Cypress Indian Church. There were 125 attending from the church in the district.

Variety Of Action Is Revealed In Weekly Market Crop Reports

Produce is beginning to move in Starke and Brokers areas and is declining in Florida City, Ft. Pierce and Pompano sections according to reports received in the office of L. H. Lewis, director of the state markets.

Tomato volume at Ft. Pierce continues heavy although crop last week slowed the movement. The rain and hail cut the volume to between 30-40 thousand crates under the previous week.

Approximately 350 acres of tomatoes just coming into production were totally destroyed by hail the week before. Prices remain unsatisfactory.

The later plantings of cucumbers are being greatly helped by the rains in the Wauchula state market area.

Prices and volume are declining on the Pompano market according to manager G. B. Hogan. Pepper prices declined sharply the past week.

Good quality watermelons and good supplies of cantaloupes are available at Immokalee's market. Light but decreasing supplies of blackeye peas and tomatoes were expected this week.

C. M. Todd of Pahokee anticipates "A" heavy movement of excellent quality corn and good supplies of beans, celery and cabbage along with the usual products available here. Of all commodities, the Glades is shipping more than 250 cars daily, mostly at good prices.

There was a plentiful supply of watermelons in the Ft. Myers area but cucumbers and tomatoes are decreasing in volume.

Over 500 Pupils In May Festival

Over 500 pupils of the Central Elementary School participated in May Day Festivities, last Friday a Memorial football field at 1 p. m.

The Health Day theme was carried out in this program. The first day of May was set aside by former President Hoover in 1938 as child health day to encourage good health for children.

Arthur Coombe was the announcer for the May Day program, the chairman was Mrs. Hub Spooner, assisted by Miss Marian Najarian, music, Mrs. Genevieve Gove, May pole dance, Mrs. Margaret Mosely, principal and other teachers.

Children in the first three grades marching on the football field early waving banners which spelled out the school name, were on hand to welcome the king and queen of May and their court.

First came the Herald, Herbert Geise followed by crown wearers, Ronny Brooks, Dennis Connell. Next in line was the king, Robert Strasser, followed by attendants, George Lawson, Patricia Anderson, Mary V. Mathewson and John Shaw.

Flower girls, Ann Priest, Diane Shivers, Jo Ellen Hupspeth, Janet Chamblee, Anna Roberts and Karen Sexter preceded the queen, Gloria John Smith.

In a colorful setting of palms and flowers, the King and Queen and court were seated. Last year's king and queen, Carl Norris and Bobby Jean Roberts and Karen Sexter preceded the queen, Gloria John Smith.

Worthy Grand Patron Welcomed At OES Meet

Joseph R. Cherry recently installed Worthy Grand Patron of the Grand Chapter of Florida was introduced and given grand honors at the meeting of the OES last Thursday night. Members welcomed the honored guest with song and Mrs. Agnes Cherry, associate matron presented him with a gift.

Others introduced were Mrs. Jessie Barnes, grand matron of district 18, Mrs. Gladys Williams and Mrs. Ruby Bailey, past matrons also Mrs. Allene Cherry, wife of the honored guest and past matron.

Announcement was made that a homecoming and reception honoring Mr. Cherry would be held May 18 at 8 p. m. at the Benevolent Hall. Mrs. Martha Freeman was appointed chairman of arrangements.

The charter was draped in memory of Mrs. Leola M. Hendry, who died last Tuesday in West Palm Beach.

An impressive Mother's Day program was presented under the direction of Mrs. Eula Pennington. OES guests were Mrs. Sera Smith of West Lafayette, Indiana, Mrs. Velma Hall, Mrs. Edna Barrett, Mrs. Dorothy Graham and Mr. and Mrs. Parry Sizemore of Pahokee.

Following the meeting refreshments were served by Mrs. Martha Freeman, Mrs. Beale Lyons and Mrs. Helen Morris.

Marine Enlistments Open For Three Or Four Year Hitch

Immediate three and four year enlistments are now open in the United States Marine Corps according to an announcement by T/Sgt. Arthur H. Ellis, NCO-in Charge of recruiting in the Glades area. The Corps is also accepting qualified applicants for two years active duty, he added.

The recruiter pointed out that only volunteers may become Marines. The Corps does not take men through the draft and once a man receives an induction notice, he is no longer eligible to enlist in the Marines.

Young men who wish to join the Marines at a later date should act now while the choice is still theirs to make, he advised.

Men who are planning to resume school or college after completing their enlistment may earn credits through the Marine Corps Institute. Correspondence courses are offered

free of charge to all Marines and cover almost everything from "atoms to zoology" as well as many of the military subjects in which Marines specialize.

Many Marines have completed their high school education

and earned their diploma through the Institute, the recruiter explained.

The Corps' scholastic program is in keeping with its policy of mental and physical development in order to provide the country with top notch

men trained to handle any assignment. For example, Marines guard American embassies all over the world, he said.

For additional information, see you local Marine recruiter at Belle Glade Draft Board every Wednesday.

You get the best trade in town... on "the best tire in the world"

Here's proof: one recappable tire is worth from **\$9.95 to \$14.95** Depending on size when traded in on

OPERATION BIG SWITCH

for better Florida Farming

A modern Florida farmer must perform a number of "do-it-yourself" jobs to keep his buildings in good repair. And perform them he does, quickly and efficiently, with modern power tools such as electric saws, drills, and paint sprayers.

Look around your farm. See all the ways the "Big Switch" to more electric switches can make Florida farming more productive for you!

for better Florida Living

In addition to an electric range, refrigerator, and laundry appliances, today's modern farm household needs a number of electric "tools," too: coffee-makers, toasters, mixers, wall-plugs, to name a few. They make cooking more fun, and give her added leisure to enjoy happier Florida living!
